There is only one Genuine, DNA Certified Sir Walter

Sir Walter

DNA CERTIFIED
GENETIC ASSURED PURITY

The same Sir Walter you know and love

Sir Walter DNA Certified is still the same; much loved Aussie lawn that has been Australia's No. 1 Buffalo for over 15 years.

Sir Walter Buffalo Lawn has stood the test of time, proving time and time again that it will go anywhere and grow anywhere; in full sun or shade, in extreme heat, frost or drought. It's still the same Sir Walter and to keep it that way, we're DNA certifying it. DNA Certified Sir Walter will continue to show these great qualities, with the assurance the product you are purchasing is true Sir Walter with genetic assured purity.

Born right here in Australia, Sir Walter was bred to be tough yet soft and good looking to boot! Since 1997 there has been over 60 million square meters of Sir Walter sold Australia wide – that's the equivalent of over 450,000 Aussie homes!

There is really no match for DNA Certified Sir Walter.

HOW DO YOU KNOW

It's Genuine Sir Walter?

In late 2015, Lawn Solutions Australia (LSA) commenced an extensive DNA testing process with our members to further ensure Sir Walter that is produced and sold by LSA members is the genuine, high quality turf product which Australians know and trust.

To ensure you are purchasing DNA Certified Sir Walter, always be sure you are purchasing from a Lawn Solutions Australia member or accredited Lawn Solutions Centre. Always look for the Sir Walter DNA Certified logo and be sure to check you have received a copy of Lawn Solutions Australia's 10-year product warranty certificate with your order.

You can confirm if you have purchased genuine DNA Certified Sir Walter, by contacting LSA on 1300 883 711 or go online to www.lawnsolutionsaustralia.com.au to clarify if the company you purchased from is an accredited LSA member.
